In partnership with the whole school community we aim to make the school a happy and effective place for learning

### **3. Admission Statement**

St. Columbanus N.S. will not discriminate in its admission of a student to the school on any of the following:

- (a) the gender ground of the student or the applicant in respect of the student concerned,
- (b) the civil status ground of the student or the applicant in respect of the student concerned,
- (c) the family status ground of the student or the applicant in respect of the student concerned,
- (d) the sexual orientation ground of the student or the applicant in respect of the student concerned,

St. Columbanus N.S. is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

St. Columbanus N.S. is a school which has established two special classes, with the approval of the Minister for Education and Skills, which provides an education exclusively for students with the category of ASD as specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified.

#### **4. Categories of Special Educational Needs catered for in the school/special class**

Pupils with special educational needs will be catered for within the relevant class and a 'Continuum of Support' will be opened. Pupils may also avail of support from the SET team.

St. Columbanus N.S., with the approval of the Minister for Education and Skills, has established two classes to provide an education exclusively for students with Autism Spectrum Disorder. (ASD)

The following criteria will apply when making an application for one of these classes

Enrolment of Children in the Special Classes for children with Autism

Each child must have a full current Psychological & Cognitive Assessment, which must specify a diagnosis of 'Autism' i.e. DSMV or ICD10 and a recommendation for a special class placement in a mainstream school from such a professional report.

The parents/guardians must fill in and return a School Enrolment form as for all pupils.

All relevant reports and assessments must be given to the school once the child has been offered a place in the school.

The Board of Management states that, as per DES instruction, the school will accommodate a maximum of two special classes for children with Autism, to include Junior and Senior classes covering the age range of the primary school.

The Department of Education & Skills states that the ratio for each class is a maximum six pupils to one teacher and two SNAs. There must be more than three pupils to access the second SNA.

The Admissions Policy states that the parents/guardians (and the prospective candidates for the class if required) may be invited to meet the principal, the class teacher and any other relevant parties before the child starts school. An Induction meeting of new parents will be held prior to commencement in the school.

The classes will be co-educational and will cater for children of primary school age only – i.e. four years to thirteen years.

In accordance with section 23(4) of the Education (Welfare) Act a parent/guardian must confirm compliance with the school's Code of Behaviour. The Board of Management reserves the right to refuse enrolment if this confirmation is not received prior to the pupil

attending the school. The Board also reserves the right to continue to suspend or expel a child under 'Health & Safety' regulations and in conjunction with the school 'Code of Behaviour' as per the National Education Welfare document if the need should arise.

□ A placement breakdown can sometimes occur. All placements are subject to review at the request of the parents and/ or the school. The review will include input from all agencies involved (through a multi-disciplinary team meeting), the parents/guardians and the school. Following the review a recommendation may be made that the child be enrolled in a school that can better meet his/her needs.

□ First preference will be given to pupils attending St. Columbanus N.S. where a transfer will take place from mainstream to special classes if criteria have been satisfied.

Integration will be determined based on the individual needs of the child, and through discussion with the parents/guardians and the relevant class/support teacher. Following agreement, phased integration will take place in both the girls' and boys' schools as appropriate.

## 5. Admission of Students

This school shall admit each student seeking admission except where –

St. Columbanus N.S. is a Catholic school and may refuse to admit as a student a person who is not of Catholic faith where it is proved that the refusal is essential to maintain the ethos of the school.

The special classes attached to St. Columbanus N.S. provide an education exclusively for students with ASD and the school may refuse admission to this class, where the student concerned does not have the specified category of special educational needs provided for in this class.
